THE REVITALIZATION OF MAUNA KEA G. C.

Prince Resorts Hawaii announced in April that the Mauna Kea Beach Hotel and Mauna Kea Golf Course will be closed for more than a year (beginning May 1, 2007) to undergo a comprehensive upgrade from tee-to-green that will add renewed luster to one of Hawaii’s most recognizable golf courses.

The golf course, clubhouse and 19th Hole Restaurant also closed as of May 1, 2007, and are expected to re-open in 4th Quarter 2008.
