

All presented in the trademark Rockefeller style of "understated elegance," you'll discover these exciting features in every guestroom:

- Solid doors for sound attenuation
- Electronic "touchpad" key cards
- 32 - 40 inch Hi-Definition television hidden in custom entertainment center
- Media hub for iPod, laptop and DVD connectivity
- Bedside iPod clock radio
- Wireless high-speed internet (fees apply)
- L'Occitane toiletries
- Frette linens

And, you may have *heard* about the breathtaking new baths in some of our enhanced rooms, but you may not believe what you see: a private bath lanai, sparkling white tiles, wall-less "rain shower" and a deep two-person tub for soaking up that mesmerizing blue Pacific view or the peaceful greens of a golf nirvana.

What else is new? You'll just have to see for yourself. Don't miss the chance to be among the first to experience everything the "new" Mauna Kea Beach Hotel has to offer!
